

## Features ActivePure® Technology proven to reduce viruses, bacteria, and other pathogens (full list of tested pathogens available below in “The Proof”).

### THE TECHNOLOGY

The FreshAir Mobile is a device intended for the reduction of contaminants in the air in smaller indoor and personal spaces. Ideal for travel, work stations, small offices, and vehicles. Patented ActivePure Technology is an advanced surface and air purification technology.

**ActivePure Technology does not replace the need to follow public health guidelines and should be used as complementary technology.**

### THE PROOF

In extensive unaffiliated lab testing, ActivePure® Technology has been proven to significantly reduce the following contaminants and pathogens<sup>1</sup>:

- |                                       |                                   |
|---------------------------------------|-----------------------------------|
| • SARS-CoV-2                          | • <i>Listeria monocytogenes</i>   |
| • <i>Staphylococcus aureus</i>        | • Murine Norovirus                |
| • <i>Aspergillus niger</i> endospores | • <i>E. coli</i>                  |
| • H1N1 Influenza                      | • <i>Candida auris</i>            |
| • H5N8 Influenza                      | • <i>Botrytis cinerea</i>         |
| • MRSA                                | • <i>Sclerotinia sclerotiorum</i> |
| • <i>Bacillus globigii</i>            | • <i>Legionella pneumophila</i>   |
| • MS2 Bacteriophage                   | • <i>Aspergillus versicolor</i>   |
| • <i>Staphylococcus epidermidis</i>   | • <i>Clostridium difficile</i>    |
| • PhiX-174                            | • <i>Salmonella enterica</i>      |
| • <i>Erwinia herbicola</i>            |                                   |

### THE BENEFITS

The FreshAir Mobile lets you bring our proprietary ActivePure Technology with you on the go, to help reduce surface and airborne contaminants, and odors. Multiple settings let you customize and optimize its usage for multiple environments ranging from a car, hotel room, small office or camper.

- Touch sensitive settings to provide ease of operation and function
- Removes odors and freshens air
- Uses a UVC light and ActivePure screen matrix to help purify the air
- Base is designed with multiple mounting options
- Wire Stand allows for independent use from the base and various options to set or hang the unit
- Comes with both a 12 volt DC car adapter and a 100 – 240 volt 50/60 Hz AC adapter with interchangeable plugs
