

KetoneZone™

DIETARY SUPPLEMENT

KetoneZone is a ketone electrolyte supplement that helps you achieve nutritional ketosis, which can increase energy, improve mental clarity, enhance your metabolism, boost your mood, help you get more restful sleep, and assist with weight management.

BENEFITS

- Powers the brain
- Boosts energy
- Improves mood
- Better quality sleep
- Metabolism support
- Maximizes exercise performance
- Enhances focus
- Increases endurance
- Supports a youthful appearance
- Can be taken with or without food
- Supports a healthy ketogenic lifestyle

WHAT KETONEZONE PROVIDES

Vollara's exclusive KetoneZone uses 100% pure D-BHB (Beta Hydroxy butyrate, the natural form of ketones) making it the only ketone formula that has 100% pure D-BHB on the label. This is the exact form of ketone your body naturally produces, recognizes and easily utilizes for healthy energy and increased metabolism fuel.

FEATURES

- 100% pure D-BHB
- Proprietary Blend only found in KetoneZone
- Bio-identical to ketone created naturally by your body
- On-the-go doses
- Easy to share
- Nutritional ketosis achieved in hours, not days
- The only ketone formula with 100% pure D-BHB on the label
- Contains NO artificial colors, flavors or sweeteners
- One serving of KetoneZone includes nutrients needed to help your body transition into ketosis

GREAT FOR PEOPLE WHO:

- Are serious about their workouts
- Battle low energy levels
- Have difficulty losing weight
- Don't like the stringency of achieving natural ketosis
- Are interested in weight maintenance

Serving Size: 1 Packet (11 g)

Servings Per Packet: 1

Servings Per Carton: 20

	Amount Per Serving	% DV*
Calories	25

*Percent Daily Values are based on a 2,000 calorie diet. **Daily Value not established.

Other Ingredients: Citric acid, malic acid, natural flavors, stevia, silicon dioxide

DOSAGE INSTRUCTIONS: KetoneZone is designed to work with and without food. We suggest taking KetoneZone on an empty stomach upon rising in the morning. If you exercise, take it before exercising on an empty stomach. Start slow and build. Our Suggestion: If your body isn't used to supplemental ketones, just follow the easy guide below to a great result.

Days 1 – 3: Take ½ or ¼ packet of KetoneZone the first three days with 14 oz of water. Gastrointestinal upset may occur with any exogenous ketone formula. If this occurs, simply take ¼ serving the following day for up to 6 days.

Days 4 – 7: Take a full serving (one full packet) the 4th through 7th days with 14 oz of water.

ALLERGENS: Processed in a facility that also processes egg, fish, milk, peanut, shellfish, soy, tree nut and wheat ingredients.

STORAGE: Keep at room temperature and out of direct sunlight. Avoid moisture.

WARNING: Consult with your physician before taking this product if you have a medical condition, are taking medication, are pregnant or breastfeeding.

WARNING: California Residents Proposition 65
