

RE: SIST

DIETARY SUPPLEMENT

Re:Sist is a unique combination of natural extracts and vitamins that has the ability (1,000 times greater) to balance and enhance the human immune system when compared to other botanical immune stimulation extracts.

BENEFITS

- Helps regulate and balance the cascade of body's own immune responses
- Helps strengthen host immune system and enhance defenses
- Helps to create collagen and properly heal wounds
- Helps development and function of neutrophils and Natural Killer cells
- Helps support the immune system against weakening factors
- Helps your natural defenses become better equipped to deal with pathogens

WHAT RE:SIST PROVIDES

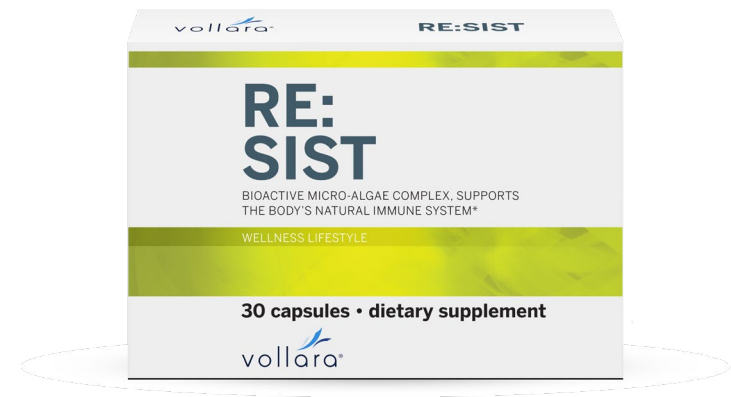

The immune system attacks organisms and substances that invade our systems, but sometimes it can face serious challenges. Re:Sist contains IMMULINA™, a patented micro-algae complex recognized by leading clinical scientists as supporting a balanced immune system. IMMULINA assists the immune system by boosting cell activity and increasing phagocytosis, while removing pathogens and destroyed cell debris.

FEATURES

- Proprietary blend of extracts supports and maintains the immune system and includes antioxidants to prevent damaging free radicals
- Contains IMMULINA™, a patented, clinically-tested, bioactive, micro-algae complex that supports the body's immune system
- IMMULINA is proven to be over 1,000 times more effective in stimulating macrophage activation as determined in human THP-1 cells, which is a significant immune system response compared to other immunotherapy treatments
- Includes Vitamin C, which is vital in assisting immune support and the production of white blood cells, and provides antioxidant activity
- Includes Zinc, which is crucial for normal development and function of cells and provides antioxidant activity

GREAT FOR PEOPLE WHO:

- Want to boost their body's immunity
- Work in settings with lots of people
- Are around people with immune challenges like children and the elderly
- Experience a lot of stress at work or at home

Serving Size 1 capsule Servings Per Container: 30

	Amount Per Serving	% DV*
